

Wednesday, 29th January 2020

7:30am - 9:00am

**Meet at Barrack Square Garden
& Finish by the Narrows Bridge**

Come and help keep the Swan River clean on the Wednesday morning of the 2020 City of Perth Festival of Sail

The last three years' beach clean ups have seen the collection of over 60 bags full of rubbish from the Perth Foreshore. Volunteers, competitors, staff, sponsors and stakeholders all join forces to create a positive impact on the environmental assets being utilised during the week of the City of Perth Festival of Sail

There is usually more rubbish there than we are able to collect in the 1.5 hour clean up period!

Please come down, lend a hand & help keep our rivers clean!
