## DAMAGE AUTHORISATION FORM

Referring to the Notice of Race (4.2 & 4.3) no damage deposit is required for each team entering, however, teams are responsible for and will be charged for any damage incurred with the maximum damage cost for any one incident being \$2,000.00. Each team is therefore required to provide a completed Damage Authorisation Form to Swan River Sailing prior to the first warning signal in order to remain eligible to compete in the event. If a yacht club is covering damage, an mail in writing confirming this from club administrator who has authority to confirm this would also suffice.

**Please email completed forms to [info@swanriversailing.com](mailto:info@swanriversailing.com) as soon as possible.**

*Please note: this form is an Interactive PDF and should be able to be filled out on a desktop computer, saved & emailed for convenience.*
