

DAMAGE AUTHORISATION FORM

All Swan River Sailing Notice of Races advise no damage deposit is required for each team entering a Swan River Sailing Event, however, teams are responsible for and will be charged for any damage incurred with **the maximum damage cost for any one incident being \$2,000.00**. Each team is therefore required to provide a completed Damage Authorisation Form to Swan River Sailing prior to the first warning signal of each applicable regatta in order to remain eligible to compete in the event.

If a yacht club is covering any incurred damage for a team, an email in writing confirming this from a club administrator who has authority to confirm this would also suffice, and an invoice will be provided for immediate payment if/when damage occurs.

Please email completed forms to info@swanriversailing.com as soon as possible.

Please note: this form is an Interactive PDF and should be able to be filled out on a desktop computer, saved & emailed for convenience.
