

# CORPORATE SAILING PROGRAMS

*Swan River Sailing's* corporate sailing charters are the perfect option for your next event. This unique activity will leave a lasting impression on your guests as they sail our fleet of 36 foot yachts on the iconic Swan River.

*No Sailing Experience Required!* Anyone can participate and your guests have the option to do as little or as much as they like whilst out on the sheltered waters of the river. *Swan River Sailing* can accommodate groups of up to 160 guests, with programs typically run over a 2.5 hour period. Our programs are designed to give your guests a fantastic experience, whilst still leaving time for other activities.

Corporate sailing is often complimented by onshore catering or meeting room hire which *Swan River Sailing* can coordinate on your behalf. The format of your event is fully customisable and we can adjust our start and finish times to fit in with your overall schedule.

## STEP 2: SELECT YOUR SAILING ACTIVITY

Think about what kind of experience you'd like... If you're after a social activity with some food and drinks to enjoy onboard, and a race between your yachts to provide a touch of excitement, then consider the Classic Race Package (1 race) or Premium Race Package (2 races). The Foundation 36 yachts comfortably carry up to 9 guests on board.

If you're looking for an exciting, action-packed teambuilding activity, the Elite Race Package offers a series of short races to challenge teams and perfect their performance as a team in subsequent races. We recommend teams of 5 to 7 people for this package to give each person onboard an active role in sailing the yacht and encourage optimal participation.
